

# **DOMESTIC VIOLENCE** **TRAINING**

## *Domestic Violence in the Streets: The Incident, the Victim, and the Abuser*

This is a comprehensive training on not only domestic violence calls but the incident, victim, and abuser. This class provides education and documentation training on domestic violence and strangulation, the psychology of the victim and abuser, and the scene concerns for all responding and treatment personnel. This training is for all first responders as it covers the dynamics of the environment YOU are now a part of.
