

DOMESTIC VIOLENCE **TRAINING**

Domestic Violence: The Incident, the Victim, and the Abuser

This is a comprehensive training on not only domestic violence calls but the incident, victim, and abuser. This class provides training on documentation and photography on domestic violence and strangulation, the psychology of the victim and abuser, scene concerns, and tactic options for all responding personnel. This training is for all first responders as it covers the dynamics of the environment YOU are now a part of.
